

MAKE submission process - video

If you are submitting a new project proposal to receive funding over a three-year period, please submit a video with the following characteristics

- Length – 4 min maximum
- Content:
 - What is your motivation and vision for the project?
 - A summary of your timeline with main milestones and objectives
 - Presentation of the team and internal organization, including the role of your academic supervisors
 - Presentation of your stakeholders
 - Financial/budget overview

If you are only submitting the activity report, please submit a video with the following characteristics

- Length – 3 min maximum
- Content:
 - What is your main achievements of the year?
 - A summary of your timeline with main milestones and objectives for next academic year
 - Describe any changes, compared to your original project proposal (new objectives, budget, risks and safety, logistical challenges etc..)
